

# Control

## Zoe Wees

Early in the morning I still get a little bit nervous  
Fighting my anxiety constantly I try to control it  
Even when I know it's been forever I can still feel the spin  
Hurts when I remember and I never wanna feel it againDon't know if you get it cause I can't  
express how thankful I am  
That you were always with me when it hurts I know that you understandI don't wanna lose  
control  
Nothing I can do anymore  
Trying every day when I hold my breath  
Spinning out in space pressing on my chest  
I don't wanna lose control  
Sometimes I still think it's coming but I know it's not  
Trying to breathe in and then out but the air gets caught  
Cause even though I'm older now and I know how to shake off the past  
I wouldn't have made it if I didn't have you holding my handI don't wanna lose control  
Nothing I can do anymore  
Trying every day when I hold my breath  
Spinning out in space pressing on my chest  
I don't wanna lose controlI need you to know I would never be this strong without you  
You've seen how I've grown you took all my doubt  
Cause you were home  
I don't wanna lose control  
There's nothing I can do anymore  
I don't wanna lose control  
Nothing I can do anymore (anymore), anymore  
Trying every day when I hold my breath  
Spinning out in space pressing on my chest  
I don't wanna lose control
