

Beds Are Burning

Midnight Oil

Out where the river broke
The bloodwood and the desert oak
Holden wrecks and boiling diesels
Steam in forty five degreesThe time has come
To say fair's fair
To pay the rent
To pay our shareThe time has come
A fact's a fact
It belongs to them
Let's give it backHow can we dance
When our earth is turning
How do we sleep
While our beds are burning
How can we dance
When our earth is turning
How do we sleep
While our beds are burningThe time has come
To say fair's fair
To pay the rent
To pay our shareFour wheels scare the cockatoos
From Kintore East to Yuendumu
The western desert lives and breathes
In forty five degreesThe time has come
To say fair's fair
To pay the rent
To pay our share
The time has come
A fact's a fact
It belongs to them
Let's give it backHow can we dance
When our earth is turning
How do we sleep
While our beds are burningHow can we dance
When our earth is turning
How do we sleep
While our beds are burningThe time has come
To say fair's fair
To pay the rent now
To pay our shareThe time has come
A fact's a fact
It belongs to them
We're gonna give it backHow can we dance

When our earth is turning
How do we sleep
While our beds are burning
