

Soulcrusher

Operator

He's an innovator
Don't care what you give up
He's one of the ones
You hate that you love but you can't get enough.
So Get your head out your ass now,
Quit wasting my time.
We won't live forever,
So make up your mind Soulcrusher, no other.
Soulcrusher don't give a fuck about you He's the old unforgiver
The cold shoulder giver
He's one of the ones
You hate that you love but you can't get enough.
So Get your head out your ass now,
Quit wasting my time.
We won't live forever,
So make up your mind
Soulcrusher, no other.
Soulcrusher don't give a fuck about you Soulcrusher, no other.
Soulcrusher don't give a fuck about you First we live and then we die
Cannot get another try
Every day we lose tonight
Nothing matters if it's right
Can I get another life
Go through and make it right
If I had another one
I don't think I'd give a fuck. So Get your head out your ass now,
Quit wasting my time.
We won't live forever,
So make up your mind
Soulcrusher, no other.
Soulcrusher don't give a fuck about you Soulcrusher, no other
Soulcrusher don't give a fuck.
