## **Endgame**

## Megadeth

Attention!

Attention!

All citizens are ordered to report to their district detention centers

Do not return to your homes

Do not contact anyone

Do not use any cellular or GPS devicesSurrender all weapons at once

Attention!

This way to the camps

...I woke up in a black FEMA box

Darkness was all around me

In my coffin

My dreams are all nightmares anymore

And this is what I dream every night

The leader of the new world order

The president of the united states

Has declared anyone now residing inside the U.S. of A

Without the RFID chipYou're just an illegal alien

An enemy combatant of America

Welcome to the new world order

This is the

End of the road...

This is the

End of the line

...This is the

End of your life

•••

This is the

...

We're society

In a society

Where inside the fence life as you know it stops They got their rules of conduct and we got ours

Be quick or be dead

You crumble up and die

The clock is ticking so slowlyAnd so much can happen in an hour

(Solo)

...

This is the

End of the road

...

This is the

End of the line

...

## This is the End of your life

This is the Endgame Well, I learned my lessons the hard way Every scar I earned I had to bleed Inside the day yard A system of controlled movement Like a giant ant farm

Anytime is a long time now you're not in charge of your time anymore

(Solo)

This is the End of the road

This is the End of the line

This is the End of your life

This is the

End

(Solo)

The ex-president signed a secret bill That can land a legal U.S. citizen in jail And the patriot act stripped away our constitutional rights They say a concentration camp just popped up Yeah, right.

(Solo)

Refuse the chip?

Ha, get persecuted and beat

By the tyranny of mind control for the mark of the beast All rights removed, you're punished, captured, and enslaved Believe me when I say, "This is the endgame"

(Solo)
