

Steal Your Heart Away

Joe Bonamassa

Hey, hey, hey yeaahh, you are, your so fine
Hey, hey, hey yeaahh, you will finally be mine
Steal your heart away, baby!
Steal your heart awaayy, yeaahhh!
I want to steal your heart away
Yes I do... And I have to say... Hey, hey, hey yeaahh, I ain't asking about your man
Hey, hey, hey yeaahh, I want to hold you tight as I can
Steal your heart away, baby!
Steal your heart awaayy, yeaahhh!
I want to steal your heart away
Yes I do... And I have to say...
Well my, my momma told me
when I was five years old
You want to be stone killer son
When you grow up, and get your own soul
Steal your heart away, baby!
Steal your heart awaayy, yeaahhh!
I want to steal your heart away
Yes I do... And I have to say...
Hey, hey, hey yeaahh, you are, your so fine
Hey, hey, hey yeaahh, you will finally be mine
Steal your heart away, baby!
Steal your heart awaayy, yeaahhh!
I want to steal your heart away
Yes I do... And I have to say...
