## Joe Bonamassa

Hey, hey, hey yeaahh, you are, your so fine Hey, hey, hey yeaahh, you will finally be mine Steal your heart away, baby! Steal your heart awaayy, yeaaahhh! I want to steal your heart away Yes I do... And I have to say...Hey, hey, hey yeaahh, I ain't asking about your man Hey, hey, hey yeaahh, I want to hold you tight as I can Steal your heart away, baby! Steal your heart awaayy, yeaaahhh! I want to steal your heart away Yes I do... And I have to say... Well my, my momma told me when I was five years old You want to be stone killer son When you grow up, and get your own soul Steal your heart away, baby! Steal your heart awaayy, yeaaahhh! I want to steal your heart away Yes I do... And I have to say... Hey, hey, hey yeaahh, you are, your so fine Hey, hey, hey yeaahh, you will finally be mine Steal your heart away, baby! Steal your heart awaayy, yeaaahhh! I want to steal your heart away Yes I do... And I have to say...
