## **True Colors**

## The Weeknd

Tell me the truth Baby girl, who else been with you It's gon' come to my attention either way, yeah And I understand Baby girl, we all had a past I'd much rather hear the truth come straight from youSo if I love you It'd be just for you So when I'm touching you Can I trust in you Can I trust in you, oh baby Girl, come show me your true colors Paint me a picture with your true colors These are the questions of a new lover True colors, true colors Girl, come show me your true colors Paint me a picture with your true colors These are confessions of a new lover True colors, true colorsWhat's done is done Now that I'm the only one If you tell me I'll accept what you've been through, oh yeah And I don't believe all this inconsistency I've been hearing different stories about youSo if I love you It'd be just for you So when I'm touching you Can I trust in you Can I trust in you, oh baby Girl, come show me your true colors Paint me a picture with your true colors These are the questions of a new lover True colors, true colors Girl, come show me your true colors Paint me a picture with your true colors These are confessions of a new lover True colorsBaby, show me you're a keeper It's been hard for me to keep up You've been tryna keep me in the dark But baby girl, I see you Baby, show me you're a keeper It's been hard for me to keep up You've been tryna keep me in the dark But baby girl, I see youGirl, come show me your true colors

Paint me a picture with your true colors

These are the questions of a new lover
True colors, true colors
Girl, come show me your true colors
Paint me a picture with your true colors
These are confessions of a new lover
True colors, true colors
