

Satisfaction Guaranteed

The Firm

Mystery surrounds me, and I wonder where I'm goin'
There's a cloud above me and it seems to hide the way
I'm going straight ahead, 'cos it's the only way I know
I wanna leave the past, and leave just for today
Now then tell me baby, do you need my love?
Tell me baby, are you thinkin' of me?
Tell me baby, what it is you need?
What kind of satisfaction guaranteed?
Sittin' in the gutter with my head wrapped in my hands
I've been drinkin' all night, and I just can't stand the pain
It took an awful lot of trouble just to make me understand
Now it's clear to me, but will it ever be the same?
Now then tell me baby, do you need my love?
Tell me baby, are you thinkin' of me?
Tell me baby, what it is you need?
What kind of satisfaction guaranteed?
Now then tell me baby, do you need my love?
Tell me baby, are you thinkin' of me?
Tell me baby, what it is you need?
What kind of satisfaction guaranteed?
Head upon the highway, just as fast as I could go
I rode through the night, and halfway through the day
I had no direction I didn't even want to know where I was goin'
The only thing I knew, was that I had to get away
Now then tell me baby, do you need my love?
Tell me baby, are you thinkin' of me?
Tell me baby, what it is you need?
What kind of satisfaction guaranteed?
Tell me baby, tell me baby, tell me baby
Do you need my love?
Now that I'm here, yeah
Do you need, do you need my love?
