

# I Gotta Be

## Jagged Edge

Don't wanna make a scene  
I really don't care if  
People stare at us  
Sometimes I think I'm dreamin'  
I pinch myself  
Just to see if I'm awake or not  
Is it real  
What I feel  
Could it be  
You and me 'till the end of time  
Never part  
Take my heart  
Hold it tight  
It's true love you know I gotta be  
I gotta be the one you touch  
Baby, I gotta be the one you love  
(I'm telling you that)  
I gotta be the one you feel  
And I gotta be the one to fill your life with sunshine  
I gotta be the one you know  
Cuz I will always love you so  
(I'm loving you, girl)  
I gotta be the one you need  
I'm just telling you that I gotta be  
I picture you and me  
Starting a life together  
We could be  
We'll take this vow to love one another  
Make this thing a reality, oh  
Is it real  
What I feel  
Could it be  
You and me 'till the end of time  
Never part  
Take my heart  
Hold it tight  
It's true love I just gotta be  
I gotta be the one you touch  
(I'll be the one you touch)  
Baby, I gotta be the one you love  
(I'll be the one you love)  
I gotta be the one you feel  
(Oh yeah baby)  
And I gotta be the one to fill your life with sunshine  
(Gotta be)

I gotta be the one you know  
Cuz I will always love you so  
(I'll be the one you love)  
(I'll be the one you love oh yeah)  
I gotta be the one you need  
I'm just telling you that I gotta be You make me whole, you make me right  
(Oh)  
Don't ever wanna think about you leaving my life  
(Don't you ever go no where) You make me whole, you make me right  
(Baby you're right here in my life)  
Don't ever wanna think about you leaving my life  
(Repeat above until fade)
