

# Too Late for Love

John Lundvik

Hey, how you've been?  
I wonder, do you ever think of me?  
Say, am I wrong? To wonder if it could  
Be you and me? Is it too late for love?

Mhm

Is it too late for love?

I wanna know

Is it too late for love?

I can't take no more

Is it?

I could be the sun  
That lights your dark  
Maybe I would lit your  
World with just one spark

I could make it burn

For you and me

If I could be there

I would be there

Hear me

I could be the sun that

Lights your dark

(Is it too late for love?)

(Is it too late for love?)

Hear me

I could make it burn

For you and me

Days came and went

But nothing ever really

Felt the same

'Cause you left a space

Where everything reminds

Me of your face Is it too late for love?

Mhm

Is it too late for love?

I wanna know I could be the sun that

Lights your dark

And maybe I would lit

Your world with

Just one spark

I could make it burn

For you and me

If I could be there

I would be there  
Hear me I could be the sun  
That lights your dark  
(Is it too late for love?)  
(Is it too late for love?)  
Hear me  
I could make it burn for you and me  
(Is it too late for love?)  
(Is it too late for love?) We could be a storm  
That rages on  
And maybe we would  
Own the ocean carry on I could be the sun  
That lights your dark  
And maybe I would lit  
Your world with just one spark  
I could make it burn  
For you and me  
If I could be there  
I would be there  
Hear me I could be the sun  
That light your dark  
(Is it too late for love?)  
(Is it too late for love?)  
Is is too late for love?  
Is it?
