

Machine Gun Kelly

Angelic Upstarts

Machine gun kelly is on the street
Hes got a uniform, he's on the beat
So watch out what you do
One false move and he'll shoot you[Chorus]
Hes got a gun and it frightens me
A picture you thought that you'd never seeMachine gun kelly is on the street
Hes got a uniform, he's on the beat
You don't have to be robbing a bank
Walking the streets your takin the chance[Chorus]
Run run run.Run away!
