

# Burn Out

## Imagine Dragons

[Verse 1]

Patience only gets you so far  
Blood will get you further  
Pain will only make your heart hard  
Tossed in furious weather  
Innocence is beautiful to see  
Won't you box it up for me?

For me[Pre-Chorus]

Oh, give me strength, and give me peace

Does anyone out there want to hear me?[Chorus]

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you

Don't burn out, don't burn out on me

Don't burn out, don't burn out on me

[Verse 2]

Sadness is my enemy

I fear time will age him gently

Walking by my side for all these years

Seems that we've grown friendly

Happiness is beautiful to see

Won't you box it up for me?

For me[Pre-Chorus]

Oh, give me strength, and give me peace

Does anyone out there want to hear me?[Chorus]

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you

Don't burn out, don't burn out on me

Don't burn out, don't burn out on me

[Bridge]

It's just another downpour

It's just another downpour

I won't give up

I, I won't give up

I, I won't give up

I, I won't[Chorus]

It's just another downpour, don't let it get the best of you

It's only up from the floor, light everything inside of you

I don't wanna let you go, I don't wanna let you go

Don't burn out, don't burn out on me

I don't wanna let you go, I don't wanna let you go

Don't burn out, don't burn out on me
