

# Eyes Wide Open

Travis

All these visions in my head  
Should've gone to bed before the water shed  
Some are live and some are dead  
Makes no difference when they're in your head, head  
Keep the door, open a crack  
So I can see them when they attack  
Some are white and some are black  
Makes no difference when they're on your back  
And I can't stop crying  
And I can't stop driving  
'Cause the day is dying, dying, dying  
And my eyes wide open  
Count the sheep jumping the fence  
So I can see tinkers when I'm feeling tense  
Disbelief hung in suspense  
Eiderdown is my own defense  
And I can't stop crying  
And I can't stop driving  
'Cause the day is dying, dying, dying  
And my eyes wide open  
All these visions in my head  
Should've gone to bed before the water shed  
Some are live and some are dead  
Makes no difference when they're in your head  
And I can't stop crying  
And I can't stop driving  
'Cause the day is dying, dying, dying  
My eyes wide open
