Eyes Wide Open

Travis

All these visions in my head Should've gone to bed before the water shed Some are live and some are dead Makes no difference when they're in your head, headKeep the door, open a crack So I can see them when they attack Some are white and some are black Makes no difference when they're on your backAnd I can't stop crying And I can't stop driving 'Cause the day is dying, dying, dying And my eyes wide open Count the sheep jumping the fence So I can see tinkers when I'm feeling tense Disbelief hung in suspense Eiderdown is my own defenseAnd I can't stop crying And I can't stop driving 'Cause the day is dying, dying, dying And my eyes wide openAll these visions in my head Should've gone to bed before the water shed Some are live and some are dead Makes no difference when they're in your head And I can't stop crying And I can't stop driving 'Cause the day is dying, dying, dying My eyes wide open Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
