

# These Times Are Changing

## The Struts

I've started at the bottom  
I've dreamed about the top  
I've been the man I am and who I'm not  
I've danced inside the ring  
I've fallen to the floor  
I've (???) my own teeth but I'm back for more Are you ready?  
'Cause I'm ready  
So come on everyone believe me it's about to get heavy All I know is these times are changing  
All I know is these times are changing  
Everything's about to get crazy  
'Cause all I know is these times are changing  
I made it to the stage  
I've done a thousand shows  
(???) let's see how far it goes  
I've been to New York city  
I've met the Rolling Stones  
Mama she cannot buy me your weight in gold Are you ready baby?  
'Cause I'm ready  
So come on everyone believe me it's about to get heavy All I know is these times are changing  
All I know is these times are changing  
Everything's about to get crazy  
'Cause all I know is these times are changing Are you ready baby?  
'Cause I'm ready  
So come on everyone believe me it's about to get heavy  
All I know is these times are changing  
All I know is these times are changing  
Everything's about to get crazy  
'Cause all I know is these times are changing All I know is these times are changing  
All I know is these times are changing  
Shit in here's about to get crazy  
'Cause all I know is these times are changing All I know is these times are changing  
All I know is these times are changing  
Everything's about to get crazy  
'Cause all I know is these times are changing
