

# When You Say Nothing At All

[Keith Whitley](#)

It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may I could never explain  
What I hear when you don't say a thing  
The smile on your face let's me know that you need me  
There's a truth in your eyes saying you'll never leave me  
A touch of your hand says you'll catch me if ever I fall  
Now you say it best When You Say  
Nothing At All  
All day long I can hear people talking out loud  
But when you hold me near, you drown out the crowd  
Old Mr. Webster could never define  
What's being said between your heart and mine  
The smile on your face let's me know that you need me  
There's a truth in your eyes saying you'll never leave me  
A touch of your hand says you'll catch me if ever I fall  
Yeah you say it best When You Say Nothing At All  
The smile on your face let's me know that you need me  
There's a truth in your eyes saying you'll never leave me  
A touch of your hand says you'll catch me if ever I fall  
Yeah you say it best When You Say Nothing At All
