

Comeback Kid

Kip Moore

I'm a new used car with a couple dents
And I'll get where I'm going
Cause I know where I've been
When it all goes south, I'm gonna rise again
Just call me the comeback kid.
I'm a hailmary pass on homecoming night
Six points down, with the clock ticking by
Come hell or high water I still believe I can win
Just call me the comeback kid
Oh oh ohhh
Girl I'm glad that you never did
Oh oh ohh
Lose faith in this comeback kid
Baby all life's bullets I've took to the chest
Should've buried me alive, should've left me dead
But when I reach for that white flag,
You won't let me quit
And you call me the comeback kid
Oh oh ohh
Girl I'm glad that you never did
Oh oh ohh
Lose faith in this comeback kid
Someday I'm gonna get you that white picket fence
And that little pink house just like Mellencamp said
Cause I want to taste the good life
Before the Lord puts us to bed
Girl keep holding on, keep hanging in
Oh oh ohh
Don't ever do what you never did
Oh oh ohh
Don't give up on this comeback kid
Oh oh ohh
Girl I'm glad that you never did
Oh oh ohh
Lose faith in this comeback kid
Just keep holding on
Just keep holding on
Just keep holding on
