

# Shining Star

## B5

Yeah, it's B5  
Yeah, let's go When you wish upon a star (When you wish up a star)  
Your dreams will take you very far, yeah, yeah, yeah  
When you wish upon a dream (When you wish upon a dream)  
Life ain't always what it seems, oh yeah Once you see you light so clear  
In the sky so very dear, oh You're a shining star, no matter who you are  
Shining bright to see what you can truly be  
Truly be  
It's B5 Shining star come into view  
Shine its watchful light on you, yeah  
Gives you strength to carry on  
And make my body big and strong On an adventure of the sun  
It's all awake and just begun  
Thought I had to stir the mood  
That's it now I got my own, oh yeah So if you find yourself in need  
Why don't you listen to these words of heat  
Be a child free of sin  
Be some place, yes I can  
You're a shining star, no matter who you are  
Shining bright to see what you can truly be  
You're a shining star, no matter what you are  
Shining bright to see what you can truly be Shining star for you to see, what your life can truly  
be  
Shining star for you to see, what your life can truly be  
Shining star for you to see, what your life can truly be
