

Dinner Guest (feat. MoStack)

AJ Tracey

MoStack)[AJ Tracey:]
Yeah, yeah, yeah Cartier frames, and a turtle neck (Fancy)
Parents always love me as a dinner guest (They do)
Had to wins but I'm not a winner yet (Not yet)
If you're tryna make a pass I'mma intercept (Let's go)
Got a dog up in the club, I ain't bring a pet (Boom, boom, boom)
Covered in the ice, I ain't tryinna sweat (Bling, blaow)
We can make some bread, we can split a check (But, but)
I ain't back and forthin on the internet (No sir)
[MoStack:]
When I think of it
Babe you'd be a ten out of ten if you never smoke cigarette
But can I blow your back just a little bit?
Ay, rudeboy you messing with a bigger fish
It ain't over till the fat lady sings, tell your mum, "Grab a mic"
You lookin like a snack, baby, can I get a bite?
Don't pull it on a plate
'Member when we touched in my bed? I'll never say[AJ Tracey:]
One of dem man got a touch, man, dem own up
Stop the drillin' in my merch, you're a doughnut
Young boy made him so much money that he's grown up
Fuck if you're my center rock, let's get you blown up
Posh girls wanna take me back to their yard
I don't care if pops is racist, tell you're dad, "I'm a star"
And a watch that's on this wrist, I put that on a card
We put bricks up on the strip and now there's bricks in the yard
Cartier frames, and a turtle neck (Fancy)
Parents always love me as a dinner guest (They do)
Had to wins but I'm not a winner yet (Not yet)
If you're tryna make a pass I'mma intercept (Let's go)
Got a dog up in the club, I ain't bring a pet (Boom, boom, boom)
Covered in the ice, I ain't tryna sweat (Bling, blaow)
We can make some bread, we can split a check (But, but)
I ain't back and forthin on the internet (No sir)[MoStack:]
I only go back and forth with the chicks I like
Nah, I'm joking, I'm moist and I'm kinda shy
But I just mixed my drinks so I feel the vibe
I'm so drunk, I might DM Jorja Smith tonight
She's got a wedding ring and she's in my ride
Blood, I ain't even married but I kissed a bride
I'm a pop star now, stop wylin' out
But I won't lie, I kinda miss riding out[AJ Tracey:]

I was on the fine line with them ables out
I don't play for NBA, but I mable out
My brothers all in order, the heat in the corner
My broski will make this Smith sing like it's Jorja
I used to always keep it easy with a jiggle back
And one kiss is all it takes, I could give you that
But, I'm not gonna do it, I ain't with all that
And now I'm playing by new rules, I'll just give her back Cartier frames, and a turtle neck
(Fancy)

Parents always love me as a dinner guest (They do)
Had to wins but I'm not a winner yet (Not yet)
If you're tryinna make a pass I'mma intercept (Let's go)

I ain't back and forthin on the internet (No sir)[MoStack (AJ Tracey):]
I ain't goin; back and forth 'cause I'm never listenin'
If you ain't gettin' money keep the social distance
(Burbs on my shirt like I'm at a Christenin')
(Burberry front row, me, Odell, glistening)
I came here to Parley boo, to Madlib
(Real G's don't do balloons)

And I'm fake, white Air Forces, they lookin' like Aitch
I don't wanna force it, but she's looking like bae[AJ Tracey:]
Cartier frames, and a turtle neck (Fancy)
Parents always love me as a dinner guest (They do)
Had to wins but I'm not a winner yet (Not yet)
