

# Game Time (feat. Sage the Gemini)

Flo Rida

It's about to go down in a minute  
Let me touchdown, I'mma get it  
Cause I, I, I been waiting all night  
To make it go from the friend zone to the end zone  
Tryna take it to the house, baby, let's go  
Cause I, I, I been waiting all night  
It's game time I'mma hustler, baby, why you think they pay me?  
Let me know when you're ready to roll  
Do 180 in the gray Mercedes  
South Beach where they love me the most  
And you know they gon' watch me balling like I'm Michael Jordan  
And always win like he did in the fourth  
When the shots is falling and the [?] recalled in  
Yeah, you know that we doing the most  
We gon' make it rain, rain, rain  
Like we won the championship game  
We gon' need some more champagne to take it all the way It's about to go down in a minute  
Let me touchdown, I'mma get it  
Cause I, I, I been waiting all night  
To make it go from the friend zone to the end zone  
Tryna take it to the house, baby, let's go  
Cause I, I, I been waiting all night  
It's game time I'mma let you shop until your feet is sore  
I'mma [?] the credit card [?]  
It's game time and I'm in the post  
Nah, me and your ex can't have the same score  
Tryna hit the end zone 'fore the friend zone  
And maybe bring friends to the end zone  
It's up to you when we in Syracuse  
Get you hot and cool you down, I got the damn flu  
We gon' make it rain, rain, rain  
Like we won the championship game  
We gon' need some more champagne to take it all the way It's about to go down in a minute  
Let me touchdown, I'mma get it  
Cause I, I, I been waiting all night  
To make it go from the friend zone to the end zone  
Tryna take it to the house, baby, let's go  
Cause I, I, I been waiting all night  
It's game time Step back, hit 'em with the shake  
Cross over, going hard in the paint  
Hit that, money in the bank  
All star, watch me do it all day

Step back, hit 'em with the shake  
Cross over, going hard in the green  
Hit that, money in the bank  
All star, going hardIt's about to go down in a minute  
Let me touchdown, I'mma get it  
Cause I, I, I been waiting all night  
To make it go from the friend zone to the end zone  
Tryna take it to the house, baby, let's go  
Cause I, I, I been waiting all night  
It's game time
