

# I Could Have Been a Dreamer

Dio

Running with the wolf pack  
Feel like I'm never coming back  
And every time there's sunshine  
I'm blind, yeah I am everybody  
And everyone that I know is me  
Everyone that I know  
Won't see I could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer, yeah I'm another number  
And you know the numbers must agree  
But every time the wind blows  
I can't fly, why?  
We take away tomorrow  
And never see the end of today  
Lock it up and send it away  
Forever I could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer  
'Cause dreams are what we are  
I could have been a dreamer Running with the wolf pack  
Feel like I'm never coming back  
But maybe that was sunshine  
That I saw I've heard about a rainbow  
I've heard it makes you crazy  
I think I'm going crazy  
Crazy 'cause I see  
I could have been a dreamer  
I could have been a shooting star  
I could have been a dreamer  
'Cause dreams are what we are I could have been a dreamer  
I could have been the one to fly  
I always could have been a dreamer  
'Cause dreamers never die, no  
Dreamer I could have been a dreamer, dreamer  
I could have been a dreamer, dreamer  
I could have been a dreamer, dreamer  
I could have been a dreamer, dreamer
