The Heart Is a Lonely Hunter

Reba McEntire

She came in lookin' good and lookin' around
She's checkin' out every man in the room right now
Don't go tellin' her about right or wrong
She's been alone an' way too longOh, the heart is a lonely hunter

With only one desire

To find some lastin' comfort

In the arms of a lover's fire

Driven by a desperate hunger

To the dark of the neon light

Oh, the heart is a lonely hunter

When there's no sign of love in sight

She hears him say "Hey, can I buy you a drink?"

And sees the pale white circle where he wears his ring

She knows he's dealin' her a dangerous hand

The consequences of a one night standBut, the heart is a lonely hunter

With only one desire

To find some lasting comfort

In the arms of a lover's fire

Driven by a desperate hunger

To the dark of the neon light

Oh, the heart is a lonely hunter

When there's no sign of love in sightFrom somewhere deep inside, she tells him no, woh Before she starts to cry, she turns to go

Oh, the heart is a lonely hunter

With only one desire

To find some lasting comfort

In the arms of a lover's fire Driven by a desperate hunger

To deal of the second s

To the dark of the neon light

Oh, the heart is a lonely hunter

When there's no sign of love in sight

Oh, the heart is a lonely hunter

When there's no sign of love in sight
