## Talk Talk

Lay your hands into my head  
I've been rude  
I don't care what you do  
So much heart is not enough  
I've seen few  
Who treat me like you do  
My foolish friend  
Don't try to live my life  
Upon this weary line  
My foolish friend  
Don't tell me if I'm right  
Teenage tears the saving grace  
Of this fool  
But no-one's watching you  
Save this mirror for your face  
There are two  
No matter what you choose  
My foolish friend  
Don't try to live my life  
Upon this weary line  
My foolish frie  
Nd  
Don't tell me if I'm right  
When I can really rebel  
Yes I'm really saddened  
My foolish friend  
Don't try to live my life  
Upon this weary line  
My foolish friend  
Don't try to live my life
