Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts
Spilling Guts...Take some time to waste a guy
Must be mad
OK, a smoldering burn
Must be bad
Cut deep and festering day by day
No one wants a free for all
Just a chance
A break, a lift to climb
On a back
Tough luck a pebble short of quit Only those that get into the way Way way back before the
thumb
Was a way
A path, a reckoning
Like a catch
Sewn deep and gesturing day by day Take a guy, an everyman
Must be glad
Well off, a gentle ease
Underneath
A film that's cracking bit by bit
Only those that get into the way
That's that
Or maybe keep in mind
Take the hit or take the fall
Fall back
Fall back
Fall back
Fall back
Fall back
Fall back
Fall back
Fall back
Fall back
