

Cantina Band

John Williams & London Symphony Orchestra

I stayed in last night
I wasn't feeling all right
I knew it couldn't last
I started thinking of you And I wished we could be dancing in the dark
(Really slow)
Oh, it's good to know
Tomorrow, you are coming home (I won't be so alone)
I feel heaven in you
Don't you know
I feel heaven in you Oh, it's true
I can't let go
I miss you, oh you know
Sitting alone
With the TV on
I fell asleep
I was hoping you'd call
And I dreamed we could be dancing in the dark (Really slow)
Oh, it's good to know
Tomorrow, you are coming home
(I won't be so alone) I feel heaven in you
Don't you know
I feel heaven in you
Oh, it's true I can't let go
I miss you, oh you know
Angel interceptor
Apollo 21
Uri Gagarin
Flew into the sun
The angels in heaven
Look down where he lay Oh tomorrow you are coming home
I feel heaven in you
Don't you know
I feel heaven in you Oh it's true
I can't let go
I miss you, oh you know
