

LaserLight (feat. David Guetta)

Jessie J

In the blink of an eye
I was falling from the sky
in the blur, you took my breath away
and my heart starts beating
and my lungs start breathing
and the voice in my head starts screaming
I'm alive You're like a laserlight, burning up
burning down, on me
you're like a laserlight, burning up
burning down, on me
You make me feel good
you make me feel safe
you make me feel like i could live another day
you make me feel good
you make me feel safe
you know i wouldn't have it any other way (d-d-d-david g)
(j-j-j-jessie j) You and me, face to face
and there's so much i could say On these words, and forever seen the silence
can you hear, that box bre-brea-breaking
and the world starts sha-sha-shaking
they keep talking, talking, talking
but we're walking, walking, to the light
tonight, tonight
You're like a laserlight, burning up
burning down, on me
you're like a laserlight, burning up
burning down, on me You make me feel good
you make me feel safe
you make me feel like i could live another day
you make me feel good
you make me feel safe
you know i wouldn't have it any other way
Stop, please don't stop, I won't stop
we won't stop
we won't stop
we won't stop
In the blink of a night
i was falling from the sky
in the blur, you took my breath away
