

# Don't Say Goodbye (feat. Tree Vaifale)

Sammy Johnson

Girl you light my fire  
I can feel my temperature rising  
Every time we touch, I need you oh so much  
I want you more and more.  
Oh girl you take my breath away  
With everything you say to me.  
There's no one else like you  
and baby that's the truth and  
there ain't no dispute. And if you were ever to leave  
I don't think I could breathe anymore.  
And if you were to say goodbye  
Tear drops would fall from my eyes just for you.  
Just for you yeah  
So don't go breaking my heart please don't tear it apart.  
You've got what I need, the only one I want so don't say goodbye .  
So, don't go breaking my heart, please don't tear it apart .  
You've got what I need the only one I want so don't say goodbye.  
Oh boy, your love got me going insane .  
Insane .  
Got me thinking about you everyday  
Ohh  
Oh your love is so for real.  
For real  
Oh boy, you make my heart stop.  
You bring it back with every one drop.  
Yeah I can't get enough of you  
I'm so in love with you, and everything you do.  
Yeah Oh boy, you got a hold on me.  
And just like a song I've got on repeat .  
Yeah  
You knock me off my feet, cause no one can compete .  
And there is only one you .  
And If you were to leave  
I don't think I can breathe anymore.  
And if you were ever to say goodbye  
Tear drops would fall from my eyes just for you.  
Just for you, yeah  
So don't go breaking my heart  
Please don't tear it apart  
You've got what I need, the only one I want so don't say goodbye .  
So, don't go breaking my heart  
please don't tear it apart.

You've got what I need, the only one I want so don't say goodbye.
