

In the Heat of the Moment (Toy Drum Remix)

Noel Gallagher's High Flying Birds

Nah nah nah nah nah
Nah nah nah nah nah nah nah nah nah nah They tell me you've touched the face of God
At the sound of the rope cracking on your neck
They tell me you never give it up
Like the song that was soul singing in your head So honey please don't let go
Or you'll fall into the dead of night
So honey please don't let go
You'd better learn to fly
'Cause they're gonna point you up at the sky The more that you want it
The more that you need it
I know that you'll be by my side
In the heat of the moment
When the thunder and lightning comes
I know that you'll be by my side
Nah nah nah nah nah
Nah nah nah nah nah nah nah nah nah nah That loving man ain't no rolling stone
At the sound of the drums I'm gonna set you free
I talked to him on the telephone
And these are the words that he gave to me He said honey please don't let go
Or you'll fall into the dead of night
So honey please don't let go
You'd better learn to fly
'Cause they're gonna point you up at the sky The more that you want it
The more that you need it
I know that you'll be by my side
In the heat of the moment
When the thunder and lightning comes
I know that you'll be by my side
Nah nah nah nah nah
Nah nah nah nah nah nah nah nah nah nah
Nah nah nah nah nah
Nah nah nah nah nah nah nah nah nah nah And the more that you want it
The more that you need it
I know that you'll be by my side
In the heat of the moment
When the thunder and lightning comes
I know that you'll be by my side
And the more that you want it
The more that you need it
I know that you'll be by my side
In the heat of the moment
When the thunder and lightning comes

I know that you'll be by my sideNah nah nah nah nah
Nah nah nah nah nah nah nah nah nah
