

Swish (feat. 2 Chainz)

Kid Ink

Yeah we ballin' we ballin' and we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah
Said we ballin' we ballin' we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah Swish, swish, swish, swish
Swish, swish, swish, swish
Swish, swish, swish, swish
Swish, swish, swish
Get buckets
She got way too much potential
Smack that ass, cuz I know she into it
We in here 'til the morning
Breakfast continental
Drinks all complimentary
And I ain't showing no credentials
She gon split the pole
And I'm gon' split the swisher
Girl that frame perfect
You know I get the bigger picture
Got a few thousand on me
Alley oop it, throw it to me
No, a nigga ain't Kobe
I pass it to the homies Got my signing bonus, millions on the way
Faking then I hit 'em with the fadeaway
Finger rollin' bitches, feel like Doctor J
All these haters wanna watch my play by play
Get buckets
Swish, swish, swish, swish
Swish, swish, swish, swish
Swish, swish, swish, swish
Swish, swish, swish Crossed over on them folks
Not Anfernee, but Tim
I'm so high I can dunk on you in Timbs
Know you seen the film
Check the scouting report
Get on the baseline
Now lean on them folk (lean!)
She tired of giving head
So you know I left
Kenny Anderson, Van Exel and Travis Best
Niggas sayin' they traveling
Ain't took enough of these steps
Get your Marbury like Steph

Sittin' courtside in Chanel
Tell 'em hello like Adele
I'mma mac book you a Dell
You know I'm always prepared
Shit, I came up from a scale
Came up, clientele
Shawty thick, I'm like yeah
Nigga talkin' 'bout they ballin'
I told 'em I can't tell Swish, swish, swish, swish
Swish swish, swish, swish
Swish, swish, swish, swish
Swish, swish, swish Got my signing bonus, millions on the way
Fakin' then I hit 'em with the fadeaway
Finger rollin' bitches, feel like Doctor J
All these haters wanna watch my play by play Yeah we ballin' we ballin' and we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah
Said we ballin' we ballin' we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah Yeah we ballin' we ballin' and we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah
Said we ballin' we ballin' we ballin', yeah
Yeah we ballin' we ballin' and we ballin', yeah
(Swish!)
