

# Playa Cardz Right (feat. 2Pac)

Keyshia Cole

(feat. 2Pac)[Verse: Tupac]  
What's up boo  
Ha ha ha ha  
Yeah  
Another shady mission  
Tricks  
Like watching pictures in hazy vision  
Tonight is love making  
Take you any place you wish  
Today we satisfy  
Yesterday was stolen kisses  
Blind insanity perfect pictures of me and my family  
Not understanding the destiny, that they planned for me  
If I have kids will I live to see em grow?  
Though I don't know, I live the life of a thug nigga until the day I go  
More broken promises, a sacred bond broken  
I know I'll die alone, but yet and still I'm hoping  
Visions of prisons, maybe I'll be forgiven  
I know it's better in heaven cause being here ain't living  
Close my eyes and see nothing but pain the world's crazy  
Still look for a queen to plant seeds and have babies  
Maybe I'll be the one, or just maybe I'm lost  
You'll never know being cautious  
If you play your cards right  
I want to be the one who, who you can depend on who  
Who'll be the one who'll be there (through the thick and thin)  
Go by the water we will, be there till the morning  
We won't, leave until the night and we will, be forever moreNo one else can do  
What you do, for me  
Take me away from the pain, I feel, inside (I feel inside)  
And it's gonna be alright, It'll gonna be okay  
If we try, and take our time  
Please baby, take your time  
And we'll grow, trust I know(I want to be the one who)I want to be the one who, who you can  
depend on who (depend on)  
Who'll be the one who'll be there (through the thick and thin)  
Go by the water we will, be there till the morning  
We won't, leave until the night and we will, be forever more  
[Tupac: talking (Keyshia Cole singing)]  
(Forever)  
You gotta play your cards right (oooh yeah)  
Can't be rushing like it's a race you know what I'm saying? (oh no no)

If you be patient, and you take your time (be patient baby)  
And you finesse it  
Nine times out of ten homeboy your gonna wake up with your breakfast in bed (time)  
But if you rush (hey)  
Then you'll just be man handling (it takes a real man)  
Ha ha  
Play your cards right nigga (hey)  
Take your time (be the one)  
Be patient (be the one heeeeeeeey)  
It's better that way  
Ha ha  
Play your cards right (yeah... yeah be the one)(I wanna be the one heeeey)I want to be the one  
who, who you can depend on who  
Who'll be the one who'll be there (through the thick and thin) (be the one ooh heey)  
Go by the water we will, be there till the morning (we'll be there)  
We won't, leave until the night and we will, be forever more (oh oh)Take your time man  
(heeeey... take your time)  
Don't be in such a rush (in a rush)  
Ha ha  
You got to be patient man, be patient (be forever moreeeeee)  
Ha ha ha ha  
It ain't going nowhere boy (nowhere)  
Ha ha  
Get some champagne  
Bring some roses or something you know? (beeeee foreverreeeeee)  
Play some soft shit (know the?)  
You got to be cool with it (take take)  
You got to be slow with it  
Got to be patient (ooh be the)  
You got to play your cards right homeboy  
You can't be rushing like it's a race you know what I'm saying?  
If you be patient and you take your time  
And you finesse it
