

# Perfect Strangers (Single Version)

## Deep Purple

Can you remember, remember my name?  
As I flow through your life  
A thousand oceans I have flown  
Oh, and cold, cold spirits of ice  
Ah, ah, all my life  
I am the echo of your past I am returning, the echo of a point in time  
And distant faces shine  
A thousand warriors I have known  
Oh, and laughing as the spirits appear  
All, all your life  
Shadows of another day  
If you hear me talking on the wind  
You've got to understand  
We must remain  
Perfect strangers I know I must remain inside this silent well of sorrow  
A strand of silver  
hanging through the sky  
Touching more than you see  
The voice of ages in your mind  
Oh, is aching with the dead of the night  
Oh, precious life  
Your tears are lost in falling rain  
And if you hear me talking on the wind  
You've got to understand  
We must remain  
Perfect strangers
