

# Shots

## Imagine Dragons

I'm sorry for everything  
Oh, everything I've done Am I out of touch?  
Am I out of my place?  
When I keep saying that I'm looking for an empty space  
Oh, I'm wishing you're here  
But I'm wishing you're gone  
I can't have you and I'm only gonna do you wrong Oh, I'm gonna mess this up  
Oh, this is just my luck  
Over and over and over again I'm sorry for everything  
Oh, everything I've done  
From the second that I was born  
It seems I have a loaded gun  
And then I shot, shot, shot a hole through everything I loved  
Oh I shot, shot, shot a hole through every single thing that I loved  
Am I out of luck?  
Am I waiting to break?  
When I keep saying that I'm looking for a way to escape  
Oh, I'm wishing I had what I'd taken for granted  
I can't have you and I'm only gonna do you wrong Oh, I'm gonna mess this up  
Oh, this is just my luck  
Over and over and over again I'm sorry for everything  
Oh, everything I've done  
From the second that I was born  
It seems I have a loaded gun  
And then I shot, shot, shot a hole through everything I loved  
Oh I shot, shot, shot a hole through every single thing that I loved  
In the meantime we let it go  
At the road sign we used to know  
We can let this drift away  
Oh, we let this drift away  
At the bayside  
We used to show  
In the moonlight  
We let it go  
We can let this drift away  
Oh, we let this drift away  
And there's always time to change your mind  
Oh, there's always time to change your mind  
Oh love, can you hear me?  
Oh, let it drift away I'm sorry for everything  
Oh, everything I've done  
From the second that I was born

It seems I had a loaded gun  
And then I shot, shot, shot a hole through everything I loved  
Oh I shot, shot, shot a hole through every single thing that I loved  
In the meantime we let it go  
At the road sign we used to know  
We can let this drift away  
Oh, we let this drift away  
At the bayside  
We used to show  
In the moonlight  
We let it go  
We can let this drift away  
Oh, we let this drift away  
And there's always time to change your mind  
There's always time to change your mind  
Oh love, can you hear me?  
Oh, let it drift away
