Lil Yachty

Uh, yeah bitch

Yeah bitch
Yeah, yeah, yeah, yeah, yeah, yeah, yeah I'm in the hood, I'm with winners
Basketball seat in a Beamer
Pull up with sticks, pull up with clips, all on the hip

You suckin' me, yeah, and I know it
All of this money I blow it
All of these hoes, yeah they goin'
All of my shooters they blowin'
Anyway, why you come over here if you ain't going
You a hoe thot and I know this
Beatin' the pot with the elbow
Skrt out the lane with the new whip
Diamonds in the ear like a Q-tip
Bitch give me top with them duck lips
Your boyfriend, he scared of me
I'm geeked up on dumb inside of me
Hairy pussy give me allergies

Big Gucci link with the white rocks
Just like Chicago like White Sox
Tryna get a bitch with some dreadlocks
I got a bitch sippin' Railroad
