

Trouble

Hope Sandoval & The Warm Inventions

The trouble with
The trouble
Is the trouble in me
I might be mistaken
Might be forsaken
That sure could be That seems like
Lies to me
I don't know what you think
The trouble is
That the trouble says
There's trouble in you Don't let me say
That I just slipped away
That I just took the cars
and your keys The trouble is
The trouble says
It's all troubling Don't talk to me
If you're not on the lea
I'll never get to sleep All those things
That you sent my way
I never saved a thing
Don't let me say
That I just slipped away
That I took the car
and your keys 'Cause the trouble is
The trouble with me
