You Are Everything

Vanessa Williams

You are, you are, everything, everything, oh
You are, you are, everything, everything is youToday I saw somebody

Who looked just like you

He walked like you do

I thought it was you

As he turned the corner

I called out your name

I felt so ashamed

When it wasn't you

Wasn't you

You are everything

And everything is you

You are everything

And everything is you

Oh you are everything

And everything is you

Everything is youHow can I forget

When each face that I see

Brings back memories

Of being with you

I just can't go on

Living life as I do

Comparing each man with you

Knowing they just won't do

They're not you

Oh you are everything

And everything is you

Oh, you are everything

And everything is you

Oh, you are everything

And everything is you

Everything is youYou are, you are, everything, everything, oh

You are, you are, everything, everything, oh

You are, you are, everything, everything is youYou are everything

And everything is you

Oh, you are everything

And everything is you

Oh you are everything

And everything is you

Everything is youYou are, you are, everything, everything, oh You are, you are, everything, everything, oh

You are, you are, everything, everything is you
