

All You Need (feat. Sofia & Vivian)

The Cast of Sofia the First

To build the castle of our dreams
May be simpler than it seems
If you feel a little shy
Here's something we can try I'll just sing a little song
To get us going strong
You can strum
I can hum
Til' you wanna sing along! It's on the tip of your tongue
Just waiting to be sung
So follow me
Take my lead
A brand new friend may be...
All you need
In our castle, I would float
With the dolphins in the moat
I'd paint all the towers blue
But the next part's up to you Let's have slides instead of stairs
Giant trees with koala bears
Every seat would play a beat
'Cause we'll have musical chairs! It's on the tip of my tongue
just waiting to be sung
I'll follow you
take your lead A brand new friend may be All I need! All you need We'll just sing a little song (La
la la)
To get us going strong
I can strum I can hum
Hm-mmm-mm! And then we'll sing along!
I'm so glad we found a way
to make this the perfect day I'll follow you I'll take your lead A brand new friend may be...
All we need
All we need
