

Dangerous

Kaien Cruz

oh yeah
she comes out at night
just for a little bite
cause she just wants a taste of the good life
shes up for a good time
and you cant see that shes a killer
tryna get your way
your eyes closed she bites just like my girl
shes so smooth
when she moves
she got her eyes on you
eyes on you , only you
so what you gon do?
when she comes for ya
in the night
don't close your eyes
shes so dangerous, ooh yeah
she's so dangerous
she's so dangerous, ooh yeah
she's so, she's so
everything she does makes you wanna touch
but you cant see that she's not looking for love
just a little fun
but you cant see that she's a killer
tryna get your way your eyes closed
she bites just like m***
shes so smooth when she moves
she got her eyes on you
eyes on you, only you
so what you gon do?
when she comes for you
in the night, don't close your eyes
shes so dangerous
ooh yeah yeah
shes so dangerous
shes so dangerous
ooh yeah yeah
shes so, shes so
she's gonna get you
alone together
so she can get a killer taste of you
yeah cause she's poison

under her skin
so if you let her in
shes so dangerous
shes so dangerous
shes so dangerous
shes so, shes so
shes so, shes so
