I See Fire

Peter Hollens

Oh, misty eye of the mountain below Keep careful watch of my brothers' souls And should the sky be filled with fire and smoke Keep watching over Durin's sonsIf this is to end in fire Then we should all burn together Watch the flames climb high into the night Calling out father, oh, stand by and we will Watch the flames burn auburn on the mountain sideAnd if we should die tonight Then we should all die together Raise a glass of wine for the last time Calling out father, oh, prepare as we will Watch the flames burn auburn on the mountain side Desolation comes upon the sky Now I see fire, inside the mountain I see fire, burning the trees And I see fire, hollowing souls I see fire, blood in the breeze And I hope that you'll remember meOh, should my people fall Then surely I'll do the same Confined in mountain halls We got too close to the flameCalling out father, oh, hold fast and we will Watch the flames burn auburn on the mountain side Desolation comes upon the skyNow I see fire, inside the mountain I see fire, burning the trees And I see fire, hollowing souls I see fire, blood in the breeze And I hope that you'll remember me And if the night is burning I will cover my eyes For if the dark returns then My brothers will dieAnd as the sky's falling down It crashed into this lonely town And with that shadow upon the ground I hear my people screaming outAnd I see fire, inside the mountain I see fire, burning the trees I see fire, hollowing souls I see fire, blood in the breezeI see fire, oh you know I saw a city burning (fire) I see fire, feel the heat upon my skin (fire) And I see fire (fire) And I see fire burn auburn on the mountain side
