

# 24 Hours

## New Rules

Late nights at your place we would spend all our days making time just to waste it away  
Yeah those days went too fast and the nights couldn't last  
did I tell you I need you too late Oh I-I-I-I I miss all of our fights 'cause we'd make up all night  
And it's got me thinking how I-I-I-I let you slip through my hands and I try to understand  
how I used to spend 24 hours with you but now I'm lying in this empty room  
Thinking 'bout all the little things that we'd do  
If I had one more second with you  
Heard you found someone who that deep down you know that you  
Yeah you know that he can't hold you like I would do  
So does he spend 24 hours with you while I'm lying in this empty room  
Thinking of you Are you thinking of me 'cause I just can't believe that there's somebody better  
for you  
If I called you up now would it change your mind some how  
Wont you tell me the truth  
Oh I-I-I-I I miss all of our fights 'cause we'd make up all night  
And it's got me thinking how I-I-I-I let you slip through my hands and I try to understand  
how I used to spend 24 hours with you but now I'm lying in this empty room  
Thinking 'bout all the little things that we'd do  
If I had one more second with you  
Heard you found someone who that deep down you know that you  
Yeah you know that he can't hold you like I would do  
So does he spend 24 hours with you while I'm lying in this empty room  
Thinking of you  
oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh I-I-I-I I miss all our fights  
We'd make up all night I used to spend 24 hours with you but now I'm lying in this empty room  
Thinking 'bout all the little things that we'd do  
If I had one more second with you  
Heard you found someone who that deep down you know that you  
Yeah you know that he can't hold you like I would do  
So does he spend 24 hours with you while I'm lying in this empty room  
Thinking of you  
oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh  
oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh  
(oh no thinking of you)  
oh oh oh oh oh oh oh oh oh oh oh oh oh oh oh  
While I'm Lying in this empty room thinking of you
