

Get Up

Big Time Rush

Get up, get up, get get get up
Get up, get up, get get get up You're gonna love this, just wait
Take my hand don't hesitate
Come on and follow my lead
I got a bag full of tricks come roll with me
We'll pick it up from where we started
We're gonna take it one step further They'll never leave us broken hearted tonight, oh
It's time to get up, get up, get, get, get up
If you're tired of waiting
It's time to get up, get up, get, get, get up
If you hear what I'm saying
That we (we) could have (could have) it all tonight
It's time to get up, get up, get, get, get up
If you're tired of waiting
Uhhhh haaaa
Uhhhh haaaa
Uhhhh haaaa Uhhhh (get up get up get up)
I know you love this, let's go
Get there fast and we'll take it slow
Gonna live out our dreams
You and me together, no make believe
We'll pick it up from where we started
We're gonna take it one step further They'll never leave us broken hearted tonight, oh
It's time to get up, get up, get, get, get up
If you're tired of waiting
It's time to get up, get up, get, get, get up
If you hear what I'm saying
That we (we) could have (could have) it all tonight
It's time to get up, get up, get, get, get up
If you're tired of waiting
Uhhhh haaaa
Uhhhh haaaa
Uhhhh haaaa Uhhhh (get up get up get up get up)
We're picking up from where we started
We're gonna take it one step further They'll never leave us broken hearted tonight, oh
It's time to get up, get up, get get get up It's time to get up, get up, get get get up (hey)
It's time to get up, get up, get, get, get up
If you're tired of waiting
It's time to get up, get up, get, get, get up
If you hear what I'm saying
That we (we) could have (could have) it all tonight
It's time to get up, get up, get, get, get up

If you're tired of waiting

Uhhhh haaaa

Uhhhh haaaa

Uhhhh haaaa

Uhhhh (yeah yeah)
