

Ready 4 Real (feat. Tee Grizzley)

Lil Reese

[Chorus: Tee Grizzley]

Bro in the back and he loading the steel
He keep repeating "I'm ready fa'real"
I catch the chills, when he shoot the mac
Cause I know that he tryna kill
You niggas playin', ain't ready to die
Chill, before you get ate like a meal (like a meal)
Pause, before you get shot like a film (like a film)
Ten'll, have niggas jump on yo lid (jump on his lid)
Don't go for the injury, go for the kill
Mission failed if niggas live (retry)
Niggas play roles, when I up the steel, they be like "Tee, I got kids"
Two FNN's, I ain't talkin' bitches, when I say I'm ridin' with the twins
Scope on the choppa, I ain't talkin' cameras, when I say I'm ridin' with the lens
