

# Xanadu

Olivia Newton-John

A place  
Where nobody dared to go  
The love that we came to know  
They call it Xanadu (It takes your breath and it'll leave you blind)  
And now  
Open your eyes and see  
What we have made is real We are in Xanadu  
(A dream of it, we offer you)  
A million lights are dancing  
And there you are A shooting star  
An everlasting world  
And you're here with me  
Eternally  
Xanadu, Xanadu  
(Now we are here)  
In Xanadu (Xanadu)  
Xanadu, Xanadu (Now we are here)  
In Xanadu  
Xanadu  
Your neon lights will shine For you Xanadu  
The love  
The echoes of long ago  
You needed the world to know They are in Xanadu  
(With every breath, you drift away)  
The dream  
That came through a million years  
That lived on through all the tears  
It came to Xanadu  
(The dream you dream, well it will happen for you)  
A million lights are dancing And there you are  
A shooting star  
An everlasting world  
And you're here with me Eternally  
Xanadu, Xanadu  
(Now we are here) In Xanadu  
(Xanadu)  
Xanadu, Xanadu  
(Now we are here)  
In Xanadu  
(Xanadu, Xanadu)  
Now that I'm here  
Now that you're near

In Xanadu  
Now that I'm here  
Now that you're near  
In Xanadu  
Xanaduuuu
