

Xanadu

Olivia Newton-John

A place
Where nobody dared to go
The love that we came to know
They call it Xanadu (It takes your breath and it'll leave you blind)
And now
Open your eyes and see
What we have made is real We are in Xanadu
(A dream of it, we offer you)
A million lights are dancing
And there you are A shooting star
An everlasting world
And you're here with me
Eternally
Xanadu, Xanadu
(Now we are here)
In Xanadu (Xanadu)
Xanadu, Xanadu (Now we are here)
In Xanadu
Xanadu
Your neon lights will shine For you Xanadu
The love
The echoes of long ago
You needed the world to know They are in Xanadu
(With every breath, you drift away)
The dream
That came through a million years
That lived on through all the tears
It came to Xanadu
(The dream you dream, well it will happen for you)
A million lights are dancing And there you are
A shooting star
An everlasting world
And you're here with me Eternally
Xanadu, Xanadu
(Now we are here) In Xanadu
(Xanadu)
Xanadu, Xanadu
(Now we are here)
In Xanadu
(Xanadu, Xanadu)
Now that I'm here
Now that you're near

In Xanadu
Now that I'm here
Now that you're near
In Xanadu
Xanaduuuu
