

# Respectable Street

XTC

It's in the order of their hedgerows  
It's in the way their curtains open and close  
It's in the look they give you down their nose  
All part of decency's jigsaw I suppose  
Heard the neighbor slam his car door  
Don't he realize this is respectable street  
What d'you think he bought that car for  
'Cos he realize this is respectable street  
Now they talk about abortions  
In cosmopolitan proportions to their daughters  
As they speak of contraception  
And immaculate receptions on their portable  
Sony Entertainment Centers  
Heard the neighbor slam his car door  
Don't he realize this is respectable street  
What d'you think he bought that car for  
'Cos he realize this is respectable street  
Now she speaks about diseases  
And which sex position pleases best her old man  
Avon lady fills the creases  
When she manages to squeeze in past the caravans  
That never move from their front gardens  
Heard the neighbor slam his car door  
Don't he realize this is respectable street  
What d'you think he bought that car for  
'Cos he realize this is respectable street  
It's in the order of their hedgerows  
It's in the way their curtains open and close  
It's in the look they give you down their nose  
All part of decency's jigsaw I suppose  
Sunday church and they look fetching  
Saturday night saw him retching over our fence  
Bang the wall for me to turn down  
I can see them with their stern frown as they dispense  
The kind of look that says they're perfect  
Heard the neighbor slam his car door  
Don't he realize this is respectable street  
What d'you think he bought that car for  
'Cos he realize this is respectable street  
He realize this is respectable street  
He realize this is respectable street
