

Love Robbery

Kalin and Myles

My heart's stolen Uh, I said I got my heart stolen from a robber

With some high heels on

There's nothing I could do I couldn't stop her

From leading me on yeah It's a love robbery (yeah)

It's a love robbery (lets go)

It's a love robbery (uh)

Yeah

Okay, the sun was setting; it was picture perfect when I met her

She had me thinking her and I was gonna be together

Forever? Wait hold up you thought this on the first date

Man I know its like she got me hooked right away

I, I couldn't see it coming like a sucker punch

Took my heart then she's out that's a hit and run

It's like I'm at the police department broken hearted

Time to figure out how it all started

Uh, 5'2 with some attitude

It's all good 'cause honestly I think its kinda cute

Last seen in a little black dress

Watch out for those eyes, 'cause she's armed and dangerous

Like bow, hit you with that one shot

Hands up she said give me everything you got

And then she'll dip like it never even happened

She can kill with those looks fatal attraction

Uh, I said I got my heart stolen from a robber

With some high heels on

There's nothing I could do I couldn't stop her

From leading me on yeah It's a love robbery

It's a love robbery

It's a love robbery (yeah)

Yeah Okay we got a 2-11 in progress

Suspect is beautiful wanted for heart theft

My baby on the run, hold up why did I call her that

She did me so wrong and I still feel like I want her back

Okay I'm getting it back

matter of fact

I'm gonna write it all down in a rap

She thought she loved me

Now she's just a love thief

I let her in my heart was always open

Now I'm sitting here wondering how she could've stole it

Stole it like a sticker, sticker then she pulled the trigger

She had red lipstick and some heels kinda killer

I got love struck hit me good too
Do she love me do she love me not I never knew
But that's just how it goes when you fall for a heartbreaker
Who's heart has been broken before
Scared to open the door won't let nobody in Yeah but will she ever learn to love again
Uh, I said I got my heart stolen from a robber
With some high heels on
There's nothing I could do I couldn't stop her
From leading me on yeah
It's a love robbery
It's a love robbery
It's a love robbery
Yeah
My heart's stolen
