

# Show You

## Shawn Mendes

You can't walk the streets at night  
You're way too short to get on this ride  
No I'm not, no I'm not, you tryna tell me that I  
I gotta be home when the street lights glow?  
You can't watch your TV show  
I will watch what I wanna watch  
No, I won't listen to you, do what I wanna do And I will walk this road ahead  
One hundred miles on my hands  
Do I need to show you?  
Guess I gotta show you  
And if you don't believe me now  
I'll flip the whole world upside down  
Do I need to show you?  
Guess I gotta show you  
Watch me swim across this lake  
Fly through the sky in my Superman cape  
Watch me walk across the wire  
The coals of a blazing fire  
Watch me fly this kite in the rain  
I'll jump rope with my ball and chain  
Come knock on my house of cards  
If it falls I will build it from the start  
I won't listen to you, do what I wanna do And I will walk this road ahead  
One hundred miles on my hands  
Do I need to show you?  
Guess I gotta show you  
And if you don't believe me now  
I'll flip the whole world upside down  
Do I need to show you?  
Guess I gotta show you  
Do I really gotta show you now? Really, really, gotta show you now?  
Do I really gotta spell it out? I-T, I spell it out  
Do you really wanna see me now? Watch me walk across the clouds  
I don't know what you heard about, listen to me really loud  
Do I really gotta show you now? Really, really, gotta show you now?  
Do I really gotta spell it out? I-T, I spell it out  
Do you really wanna see me now? Watch me walk across the clouds  
I don't know what you heard about, seems like they all knock it down And I will walk this road  
ahead  
One hundred miles on my hands  
Do I need to show you?  
Guess I gotta show you

And if you don't believe me now  
I'll flip the whole world upside down  
Do I need to show you?  
Guess I gotta show you Do I really gotta show you now? Really, really, gotta show you now?  
Do I really gotta spell it out? I-T, I spell it out  
Do you really wanna see me now? Watch me walk across the clouds  
Do I need to show you? Guess I gotta show you
