

# Stardust

## Lena

We've been waiting for the sun  
We've been waiting for the sun  
to come out and play  
all these rainy days  
are getting on. We've been waiting for the stars  
we've been waiting for the stars  
just to light the way  
and take a night away  
and hang us odd  
So no one can catch us  
nothing can change this  
covered in stardust  
things so glowing  
jumping off the edge  
reaching for the moon  
living everyday  
things all go like  
oohhooo oho oho oho oho oohhooh  
oohhooo oho oho oho oho oohhooh  
oohhooo oho oho oho oho oohhooh We are waiting on a dream  
We are waiting on a dream  
so we go to sleep  
but nothing happens when  
we wait too long So we go and  
No one can catch us  
Nothing can change this  
covered in stardust  
things so glowing  
jumping off the edge  
reaching for the moon  
living everyday  
things all go like  
oohhooo oho oho oho oho oohhooh  
oohhooo oho oho oho oho oohhooh  
oohhooo oho oho oho oho oohhooh No one can catch us  
Nothing can change this  
covered in stardust  
things so glowing  
jumping off the edge  
reaching for the moon  
living everyday  
things all go like No one can catch us

Nothing can change this  
covered in stardust  
things so glowing  
jumping off the edge  
reaching for the moon  
living everyday
