

# Don't Ask Me Why

Billy Joel

All the waiters in your grand café  
Leave their tables when you blink, oh  
Every dog must have his every day  
Every drunk must have his drink Don't wait for answers  
Just take your chances  
Don't ask me why All your life you've had to stand in line  
Still you're standing on your feet, oh  
All your choices make you change your mind  
Now your calendar's complete Don't wait for answers  
Just take your chances  
Don't ask me why  
Mmm, you can say the human heart is only make believe  
I am only fighting fire with fire  
You are still the victim of the accidents you leave  
Sure as I'm a victim of desire All the servants in your new hotel  
Throw their roses at your feet, oh  
Fool them all but baby I can tell  
You're no stranger to the street Don't ask for favors  
Don't talk to strangers  
Don't ask me why Yesterday you were an only child  
Now your ghosts have gone away, oh  
You can kill them in the classic style  
Now you parlez-vous français  
Don't look for answers  
You took your chances  
Don't ask me why Don't ask me why
