## Arch Enemy

Yeeeeeeeah!!!  
We walk this earth  
With fire in our hands  
Eye for an eye  
We are Nemesis We are with you  
Countless vicious souls  
Fight!  
Fighting for freedom  
United we stand  
We stand! We are legion  
Voice of anarchy  
This is revolution  
Creating new disorder  
We are enemy  
Opponent of the system  
Crushing hypocrisy  
Slaying the philistine  
Yeah! One for all  
All for one  
We are strong  
We are one One for all  
All for one  
We are one...

Nemesis! Hey! Hey! Hey! Hey! Hey! Hey!

A malicious fever burns  
In our hearts in our veins  
Your blood my blood  
All blood runs the same  
The same! One for all  
All for one  
We are strong  
We are one One for all  
All for one  
We are one...

Nemesis! We

Are

NE ME SIS! One for all

All for one  
We are strong  
We are one One for all  
All for one  
We are one...

Nemesis!
