

# Policy of Truth

## Depeche Mode

You had something to hide  
Should have hidden it, shouldn't you?  
Now you're not satisfied  
With what you're being put throughIt's just time to pay the price  
For not listening to advice  
And deciding in your youth  
On the policy of truthThings could be so different now  
It used to be so civilized  
You will always wonder how  
It could have been if you'd only liedIt's too late to change events  
It's time to face the consequence  
For delivering the proof  
In the policy of truth  
Never again  
Is what you swore  
The time beforeNever again  
Is what you swore  
The time beforeNow you're standing there tongue tied  
You better learn your lesson well  
Hide what you have to hide  
And tell what you have to tellYou'll see your problems multiplied  
If you continually decide  
To faithfully pursue  
The policy of truthNever again  
Is what you swore  
The time before  
Never again  
Is what you swore  
The time beforeNever again  
Is what you swore  
The time beforeNever again  
Is what you swore  
The time before  
Never again  
Is what you swore  
The time before  
Never again  
Is what you swore  
The time before  
Never again

Is what you swore  
The time before
